THE MARORA ECHO

AN OFFICIAL PUBLICATION

BY

THE STUDENTS

OF

NEWPORT HIGH SCHOOL

1950-1951

We, the Seniors of Newport High School, do dedicate this The Morora Echo to Mrs. Kenneth Farrier.

With all sincerity, there could never be found in any home, school, or community, one who has served longer, fuller, or more priceless years. Mrs. Farrier has been Music Instructor at Newport High School for the past six years; and before this she taught music at Appalachia, Abbingtion, Wallace, Greendale, Pembroke, and Pearisburg.

We feel that the inspiration, instruction, and endless hours of work that Mrs. Farrier has given us are some of the things which we shall long remember.

Words cannot express the honest and deep appreciation which we have endeavored to extend to her on this, our dedication page.

Long may her presence, inspiration, and guidance remain with this school and with us.

Class History

On September 3, 1947, our class of eighteen boys and girls entered high school. We thought we were rather successful in entering our Freshman year of high school. Our high school career started off with a bang!! Several members of the class were members of the athletic teams.

In September of 1948, we entered our Sophomore year with sixteen class members. The year was full of fun and study.

1949: Several members of our class held important positions this year. We had fourteen members in our class. The class presented their annual play, Backwoods Romeo, on March 10.

Seniors at last! We still had our fourteen class members--three boys and eleven girls. We held a class meeting and chose our motto, class color, and flower. We also elected the following officers:

President..... Frankie Sibold
Vice-President.....Leathia Porterfield
Secretary & Treasurer.....Delorous Rader
Reporter..... Marlene Duncan
Sponsor..... Miss Hypes

The following Senior Class members occupied important positions on the basketball teams: Frankie Sibold, Delorous Rader, Marlene Duncan, Mary Ann Williams, Kelly Hypes, and Carper Caldwell. Nettie Kirk acted as a substitute. The captain of our girls' team was a Senior, Delorous Rader.

Our Beta Club chapter is composed of nineteen members eight of whom are Seniors. Three of these hold offices.

President.....Nettie Kirk
Vice-President.....Leathia Porterfield
Secretary & Treasurer..... Elsie Sarver

The President of our S. C. A. is a Senior, Doraine Criner.

Before we leave our high school, we wish to give credit for our success to the teachers and the principal of Newport High School.

Class Prophecy

In 1961 the Class of '51 met in New York City at Norma William's penthouse apartment. She was now a secretary for a large firm in the city.

Kelly Hypes was happily married and an all star basketball player for the Bostom Whirlwind Professional Basketball Team.

Frankie Sibold had just returned form a missionary journey to India where she was considered one of the best religious leaders.

Carper Caldwell was a general in the Army where he had served ten years.

Elsie Sarver was an air line hostess for the Trans Atlantic Air Lines. She had been in two plane wrecks and helped save the passengers lives.

Mary Ann Williams was an Army Nurse at the main hospital in Fort Jackson, South Carolina. She got along beautifully with both doctors and patients.

Minnie Sarver had married one year after she graduated and was a happy housewife in Bluefield.

Joyce Holdren was a comedian on television and had fallen in love with Beulah's boy friend, Bill. She and Beulah had had several fights over him.

David Thornhill owned a store in Roanoke. His store hours were from 5 A. M. to 10 P. M.

Leathia Porterfield had just given a concert in Carnegie Hall. It had turned out to be very successful.

Delorous Rader was a successful lumber truck driver. She had acquired the name of "Tall Timber Tessie."

Nettie Kirk was now starring in the great production, "South Pacific." She was taking the place of Mary Martin.

Doraine Criner had graduated from the University of Virginia and was now working as secretary of the Big Four in Washington.

Marlene Duncan had graduated from Radford College and was teaching the third grade at Chicago.

We were glad to learn each classmate had achieved his or her ambition. We planned to meet again in ten years because we had enjoyed being together so much. We parted again and said good-bye as we did when we left the doors of Newport High on June 1, 1951.

Class Will

We, the members of the Senior Class, in order to form a more perfect union among students, this being our last year in high school, and having certain qualities and possessions which we cannot take with us when we leave here, do hereby bequeath the following items to the persons named. We hope these can be of use to them in their future years in high school.

Kelly Hypes wills to Bobby Kessinger his height and to Huey Elmore his curly hair.

Mary Ann Williams leaves to Jo Ann Dowdy her ability to play basketball.

Frankie Sibold wills to Bobby Porterfield her willingness to help in the Glee Club.

Leathia Porterfield leaves the enjoyment she has known throughout her high school years to the Freshman Class.

Norma Williams leaves to Eleanor Vaught her Business Workbook and to Betty Lou Williams her ambition.

Elsie Sarver wills her role of Madonna in the Christmas Pageant to Annalee Scott and her ability to be cashier in the lunchroom to Eva Kirk.

David Thornhill leaves his liking for the girls to Gerald Kinzie.

Joyce Holdren leaves her loud laugh to Ruby Echols.

Minnie Sarver wills her place as angel in the Christmas Pageant to Mary Donald Kessinger.

Nettie Kirk wills her office as president of the Beta Club to Duane Hutchinson and to Mattie Sue Porterfield her freckles.

Carper Caldwell wills the supply room key to Francis Porterfield.

Marlene Duncan leaves her position as typist of the Annual and School Paper to Shirley Rose and Joan Dowdy.

Delorous Rader leaves her basketball suit to Peggy Dowdy.

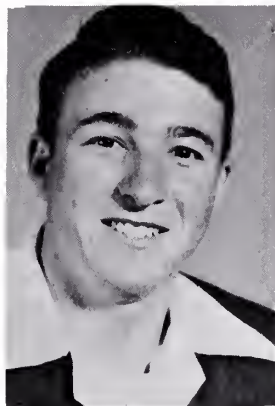

Doraine Criner wills her position as editor of the Marorachat to Annalee Scott and her honest grades to Cecil Kessinger.

To the faculty we, the Class of 1951, leave our sincere thanks for your patience with us through the past years.

The boys' and girls' District S Championship banners were also bought by the Athletic Association.

The Marorachat

This is the eighth year that the school's newspaper, The Marorachat, has been published, although this year has been more or less the rebirth of an old, honored, and much desired newspaper. The last publication of the Marorachat before this year was in 1945. The rebirth of the newspaper was due mainly to the fact that the students of Newport High School wanted something for a remembrance of their happy school days. We are proud to have had this honor of reestablishing the Mororachat. The following staff was elected:
